

ARC MOPARRU ORPHANAGE

Donate a Pen/Pencil set

Moparru Orphanage is situated in Southern India and is home to 48 children. They are run by the charity Affecting Real Change who rely on donations and sponsorship to help with their running costs. The children live a very modest life but have access to local schools, are well fed and happy.

I have supported this orphanage for the last 5 years and make regular yearly visits. On each visit I like to take items for the children that they have little access to, but are essential. This year Mary Elliot School would like to help with this by asking staff and parents to donate a school pen/pencil set that can be passed on to one of the children for them to use in school. Tooth brushes, tooth paste and soap are also very useful.

It would be my pleasure to take any items you donate over with me on my next visit at Easter. All donators will receive a thank you message from the child that receives your gift.

Thank you for your support, if you would like any further information you can contact me at school or visit www.affectingrealchange.com.
