LEAMORE LANE,  
WALSALL,  
WEST MIDLANDS, WS2 7NR

Dear Parents and Carers,

We have pleased to announce that following our consultation, the governing bodies of both Mary Elliot School and Old Hall School have agreed to join together to form a hard federation. We will now form one governing body to ensure the progress of both schools. You will see from the attached diagram that we have been able to ensure equal representation of governors from both schools to represent the needs of children, students and staff. We have also appointed two co-chairs of governors to work together for the federation.

This is an exciting time in the development of both schools; we will act quickly to recruit an experienced leader to be our new Headteacher of both schools and also look to appoint a Head of School for each site.

We would like to work with children, students, staff and parents to create a new joint vision for both schools and also devise a name for our new federation that reflects our shared goals.

Please be assured that both schools will retain their separate identity. Pupils and students will keep their own uniforms, schools will have their own budgets and staff will continue to work with the young people in the school they are employed at.

If you have any further queries, questions or concerns then please do contact ourselves through the school office at Mary Elliot, or Old Hall School

Very best wishes

Teresa Tunnell  
Co-Chair of Governors
